Share Class Inception: R3, R4, R5 - 12/22/06; R6 - 11/7/14; Y - 2/19/02. Performance shown prior to the inception of a class reflects performance and operating expenses of another class(es) (excluding sales charges, if applicable). Had fees and expenses of a class been reflected for the periods prior to the inception of that class, performance would be different. Since inception (SI) performance for R3, R4, R5, R6, and Y is from 2/19/02. Performance and expenses for other share classes will vary. Additional information is in the prospectus. Performance for periods of less than one year is not annualized.

Benchmark: Russell 2000 Growth Index is an unmanaged index of those Russell 2000 Index growth companies with higher price-to-book ratios and higher forecasted growth values. Indices are unmanaged and not available for direct investment.

**Performance data quoted represents past performance and does not guarantee future results. The investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost. Current performance may be lower or higher than the performance data quoted. For more current performance information to the most recent month ended, please visit hartfordfunds.com.**

Investors should carefully consider a fund's investment objectives, risks, charges and expenses. This and other important information is contained in a fund's full prospectus and summary prospectus, which can be obtained by visiting hartfordfunds.com. Please read it carefully before investing.

## Expenses (%)

	R3	R4	R5	R6	Y
Gross	1.58	1.27	0.97	0.87	0.97
Net	1.58	1.27	0.97	0.87	0.93

Expenses are from the Fund's most recent prospectus at the time of publication. Gross expenses do not reflect contractual fee waivers or expense reimbursement arrangements, if any. Net expenses reflect such arrangements only with respect to Class Y. These arrangements remain in effect until 2/28/26 unless the Fund's Board of Directors approves an earlier termination. Without these arrangements, performance would have been lower.

Holdings and characteristics are subject to change. Percentages may be rounded.

**Important Risks:** Investing involves risk, including the possible loss of principal. Security prices fluctuate in value depending on general market and economic conditions and the prospects of individual companies. • Small-cap securities can have greater risks, including liquidity risk, and volatility than large-cap securities. • Growth investing style may go in and out of favor, which may cause the Fund to underperform other equity funds that use different investing styles. • The Fund's investments may fluctuate in value over a short period of time. • To the extent the Fund focuses on one or more sectors, the Fund may be subject to increased volatility and risk of loss if adverse developments occur.

**Beta** measures the volatility of a portfolio relative to a benchmark. A beta of less than 1.00 indicates lower risk than the market; a beta of greater than 1.00 indicates higher risk than the market. **R Squared** represents the percentage of the portfolio's movement that can be explained by the market. **Turnover** is a measure of the Fund's trading activity which represents the portion of the Fund's holdings that has changed over a twelve-month period as reported in the Fund's current annual report. **Price/Earnings** is the ratio of a stock's price to its earnings per share. **Price/Book** is the ratio of a stock's price to its book value per share. **EPS Growth Rate** is the projected growth rate in earnings per share for the next five years. **Return on Equity** is the average amount of net income returned as a percentage of shareholder's equity over the past five years. **Asset Weighted Market Cap** is the value of a corporation as determined by the number of outstanding shares of common stock multiplied by the price per share.
